5. INCLUSION OF THE ELEMENT IN AN INVENTORY

For Criterion R.5, States shall demonstrate that the element is identified and included in an inventory of the intangible cultural heritage present in the territory(ies) of the submitting State(s) Party(ies) in conformity with Articles 11.b and 12 of the Convention.

The inclusion of the nominated element in an inventory should not in any way imply or require that the inventory(ies) should have been completed prior to the nomination. Rather, the submitting State(s) Party(ies) may be in the process of completing or updating one or more inventories, but have already duly included the nominated element in an inventory-in-progress.

Provide the following information:

(i) Name of the inventory(ies) in which the element is included:

Levende kultur – en fortegnelse over immateriel kulturarv

Living Culture – an inventory of intangible cultural heritage

(ii) Name of the office(s), agency(ies), organization(s) or body(ies) responsible for maintaining and updating that (those) inventory(ies), both in the original language and in translation when the original language is not English or French:

(iii) Reference number(s) and name(s) of the element in the relevant inventory(ies):

Dansk Folkemindesamling ved Det Kgl. Bibliotek

Danish Folklore Archives at the Royal Danish Library

Indsæt navn på eksemplet på levende kultur

We do not operate with reference numbers in the national inventory in Denmark

(iv) Date of inclusion of the element in the inventory(ies) (this date should precede the submission of this nomination):

Indsæt dato

(v) Explain how the element was identified and defined, including how information was collected and processed 'with the participation of communities, groups and relevant non-governmental organizations' (Article 11.b) for the purpose of inventorying, including reference to the role of the gender of the participants. Additional information may be provided to demonstrate the participation of research institutes and centres of expertise (max. 200 words).

Tekst til eventuel anvendelse som del under dette punkt:

The inventory is an open platform where communities, NGOs and tradition bearers are invited to submit elements by filling in a form. The aim has been to develop a low-threshold user-friendly form to invite all interested communities, groups and individuals to describe their diverse intangible cultural heritage.

(vi) Explain how the inventory(ies) is(are) regularly updated, including information on the periodicity and modality of updating. The updating process is understood not only as adding new elements but also as revising existing information on the evolving nature of the elements already included therein (Article 12.1 of the Convention) (max. 100 words).

The inventory is open for new contributions every third year. In the intervening period, the Danish Folklore Archives at the Royal Danish Library will ensure that the inventory is available online in pdf format. When the inventory is reopened, the previous contributors will be asked to update the different elements on the inventory.

(vii) Documentary evidence shall be provided in an annex demonstrating that the nominated element is included in one or more inventories of the intangible cultural heritage present in the territory(ies) of the submitting State(s) Party(ies), as defined in Articles 11.b and 12 of the Convention. Such evidence shall at least include the name of the element,

its description, the name(s) of the communities, groups or, if applicable, individuals concerned, their geographic location and the range of the element.

- a. If the inventory is available online, provide hyperlinks (URLs) to pages dedicated to the nominated element (max. four hyperlinks in total, to be indicated in the box below). Attach to the nomination print-outs (no more than ten standard A4 sheets) of relevant sections of the content of these links. The information should be translated if the language used is not English or French.*
- b. If the inventory is not available online, attach exact copies of texts (no more than ten standard A4 sheets) concerning the element included in the inventory. These texts should be translated if the language used is not English or French.*

Indicate the materials provided and – if applicable – the relevant hyperlinks:

Indsæt beskrivelse af det vedlagte materiale

The inventory is only available online in pdf format and it is therefore not possible to link to the pages dedicated to the nominated element.
